

# ANIME GIRL/WAIFU/SOMETHING

## FEMALE GENERATION CHART

The Charts allow you to generate whatever, below every chart there's a brief paragraph explaining what some of the options mean and clarifying the chart use, use the whole list of charts together to generate a Full girl, or feel free to omit some parts and decide them yourself (for example omitting the hairstyle and coming up with your own), you only Really need a D6 and a D10, if you don't have them just use an Online Dice Roller or [random.org](http://random.org)

There is no chart for Eyes, just roll a D10 in one of the color charts, if you want a “Realistic” chart, roll a D6: 1 Green 2-4 Brown 5 is Blue and 6 is any exotic color (like people with Lavender eyes, heterochromia and whatnot)

in terms of Age, you can either roll a D100 to generate a random Age, or roll a D6 and consult the Following:

1 Lolita (Either Below 16, or if you're not into that, like Teenager and/or Young but she looks like below 16)

2 Teenager (16-18 Years)

\*Roll once, then read the Description, then search for the Table that matches the result and roll again

### A Stranger:

Just like it sounds, she doesn't know you and you don't know her, you haven't seen eachother, Yet...

### Passing Acquaintance:

She Knows you by sight alone, she's seen you somewhere, or probably heard about you in passing...

Roll again in the Acquaintance Table:

At Work/School

just like it sounds, she has seen your face or heard your name at Work

Recreational

She's a regular at one of the joints you usually go to, you've seen eachother multiple times, but haven't thought much about eachother

Professional

She's a regular client, or perhaps someone you yourself hire on a regular basis, a Doctor, a Waitress at your favourite cafe, etc...

Household

You both live in the same place, wether it's a dorm, a shared house/flat, or just live in the same street, you've seen eachother a few times, but you're just "The Guy next door"

Distant Family

a Second or Third Cousin, too far in the family tree to really be considered "Family" in the most strict of terms, or perhaps part of the political family, you've seen eachother in family meetings, but beyond that, you're barely aware of eachother's existance

Weird Spot

She's that weird somebody that always appears in \*That\* place, you see her every night, or every morning, she's in that alleyway staring at the moon, or in that park alone sitting on a bench, she's probably not aware of your existance and you've regarded her presence as a "Curious Coincidence"

Colleague:

You know eachother, superficially so, roll again on the

aquaintance table, it works in the same way as Acquaintance, but as said before, you know each other, talked a few times, she doesn't know much about you, you are “That guy who's nice to talk to” or “That dependable guy that gets shit done at work” or maybe just “That Weirdo that always sits at the corner of the Cafe”

### Friends

You've known each other for a while, roll again in the Friends Table, additionally you may roll on the Acquaintance table to see where you met

### Friends

just that, you've known each other for a while, you like her enough to hang out with her and have a few things in common, the feeling is reciprocated and she doesn't mind hanging out with you

### Best Friends

She's your Bestie, she trusts you with many things she wouldn't to others, you are probably keeping a few of her secrets safe, again the feeling is reciprocated, you've been through a few things together, and you fully trust her

### Brotherhood/Friends with Benefits

Depending on the Personality, both yours and hers,

you could be deep Friends, bound by Brotherhood, you've been through thick and thin, you've stuck out for each other and pushed

onwards when none else would, she trusts you deeply, and you trust her too, probably with your life...

or you could be a bit more than friends, a Spicy Volatile friendship, where more often than not you find yourselves in eachother's arms, an abyss of conflicting feelings, Sinful Deeds and Thoughts bound you to her, and her to you, alas these relationships don't last long, what will happen to this one, is up to you...

### Family

Just how it sounds, you're family rolling a 5 or a 6 and getting the “Step Family” or “Adoptive” family prompts you to roll again, this makes the family member a Step family member or Adoptive (wether you are the adoptive, or them, its up to you), if you roll a 5 or a 6 again after having rolled Step family or Adoptive just ignore it

### Girlfriend/Wife

You are romantically engaged

### Unwilling

your relationship was done more out of pragmatism than love, she doesn't love you, this does not mean you can't change that, but as of now, she doesn't Love you, at all...

### Girlfriend

A Casual Relationship, without any legal baggage or compromise, Lovebirds from highschool or someother place, its a plain old Vanilla relationship, as vanilla as it gets

### Loving Girlfriend

A Casual Relationship, without any legal baggage or compromise, edulcorated with deep Saccharinous Love, you are two Lovebugs, like two pieces of candy stuck together by the glucose

### Wife

a Steady and mature relationship, Married, probably living together too, perhaps some of the love has died out as with all things, or perhaps the flame has just lit up, regardless, you've been at eachother's side for awhile, and you've got a ring to prove it

### Loving Wife

a Steady and mature relationship, Married, probably living together too, perhaps some of the love has died out, if by “Dying out” we mean “More alive than ever” Cuddle-Lovebugs, the years pass by as if they were seconds, bound together by some sort of otherworldy magnetism, you've probably forgotten how long you've been together, you've also forgotten how life was before you met her, probably boring, and gloomy

### Chosen

she chose you, you and only you, it couldn't have been anyone else, wether it was Providence, Luck, or something else, she Loves you, she has made it clear time and time again, she Loves you more than you could ever Love her, you've realized this a long long time ago, wether married or not, it really does not matter, there's some sort of Supernatural Bond that binds you together

## NSFW

The following are charts regarding mostly Sexual behaviour, if you don't feel comfortable, or you're just not into that kind of stuff, omit this part

NSFW						
D10	D6	DEPRAVITY	SEX DRIVE*	DRIVE TOWARDS YOU	KINK < **	> ** KINK
1	6	Shakti	Nymph	Fawning	Vanilla	Receiving Oral
2	5	Venus	Predatorial	Into You	Anal	Paizuri
3	4	Sultry	Lustful	Attracted	Giving Oral	Lactation
4	3	Average	Average	Average	Ageplay	Mommydom*
5	2	Housewife	Laid-Back	Dislike	Gentledom*	Feet
6	1	Ceres	Asexual	Disdain	Likes Muscles	Armpits
7	-	-	-	-	Likes Glasses	Tongueplay
8	-	-	-	-	Kissing	Hardcoredom*
9	-	-	-	-	Cuddlebug	Bisexual
10	-	-	-	-	Voyeur	BDSM

\* +1 to the Roll if Sultry, +2 if Venus, -1 if Housewife, -2 if Ceres, if Shakti, she cannot be anything below Lustful

### Sex Drive

how hard and often she feels the need to have sex

Asexual: no true need for sex, whether out of stoicism, or actual biology/genetics, it doesn't mean she won't have sex (That's up to the personality)

Laid-Back: she has her moments, but she's mostly ok, maybe once a week at most, often only once a month

Average: as can be expected of a woman of her age

Lustful: she's Horny more often than not, she can control herself and won't be over-bearing, she's up for it any day of the week

Predatorial: she's Horny all of the time, she's up for it, any time,

any day, if you're not around, onanism is the choice for her  
Nymph: Either an actual Medical condition, or some supernatural force has imbued herself with eternal Sensuality, she's not up for it at any time, she NEEDS it like you need water and air, at the very least once a day she has to relieve herself, depending on how well you take care of her, she could very well be a mistress of masturbation

### Depravity

How open is she to Sex itself?

Ceres: the Embodiment of a Housewife, she cleans and cooks, a instinctual Mother, she'd love to have kids with you, if you don't already have them, She has a very Puritanical view of Sex and Marriage, this does not have to align with reality however, but if it does not, she'll chastise herself over it

Housewife: a Mostly puritanical housewife, she'll do what's expected from a Mother and a Wife, her view of sex is mostly vanilla, not completely closed to experimentation, but reticent to it

Average: sometimes lusty, sometimes conservative, she doesn't lean hard either way, she is what she is, as Vanilla as it gets

Sultry: a more Experimental view of Erotism accompanies her, Passion and Love take precedence over the Housechores, “Better dead than Burgeoise” she's not a Slut, she just really listens to her Heart and not her Head

Venus: she was made for Love, not the Boring platitudes of Pandemos, of “Love of the Country” and “Family” but Love in the distinct trascendental sense, she is experimental and understanding, disdaining restraint and welcoming honesty

Shakti: Unrestrained and destructive, she is Erotism personified, a

cold Wind blows over you when you look at her, what is inside her is an enigma to you, rumours of “Witch” and “Temptress” follow her around

### Drive towards you

how into you is she? Regardless of her current relationship to you

Disdain: You're Ugly, or maybe its the way you dress, your personality perhaps? You're less than human in her eyes...

Dislike: Not necessarily personal, its just that, you're not her type

Average: You're just another guy, amongst many others, maybe you can change this, maybe not

Attracted: she's noticed you, you're not her first option, maybe she's not even into you in that way, but she doesn't hate it when you're around

Into you: she's noticed you, she's into you, there's a chance she has already confessed to you, or maybe she cannot muster the courage, maybe she's waiting for you to take the first step? Or maybe the feelings are sadly... not reciprocal, regardless, she is romantically invested into you

Fawning: she masturbates thinking about you, she makes those “Fuck me” eyes and bites her lower lip when you pass beside her, if she's already in a relationship she will be in it until she accidentally screams your name in bed, which at any rate won't be long, maybe you really are a handsome rogue, or maybe she's just Idealizing you, depending on her personality, you may or may not have an entire folder filled with love-letters of her

### Kink

much like quirks, you can either manually choose them, or just roll a d6 to see how many Kinks she has, roll a D6 to see if

you roll on the left or on the right table, Odds Left, Even Right then roll a D10

Most kinks are self explanatory, the “dom” ones, Gentledom, Harddom, And Mommydom require another D6 roll to see wich party is the dominant, an Odd number means the Male Is the Dominant (so she's the Submissive) whereas Even is the Female, (so she's the dom)

### DECLASSIFIED

Under this chart there's optional Degenerate content, it is NOT recommended to use these charts AT ALL (I Really fucking mean it), perhaps they'd fit a Villainess or something of the like, the things included down here are there more out of completionism than actual use in play

Futanari? - Roll a D6, Odds mean she's Futa, otherwise ignore

Furry? - Roll a D6, Odds mean she's a Furfag, roll on the mamono chart to check what kind of Furfag she is, otherwise ignore

### Fucked up Kink

when rolling for Kinks, roll a D6, Odds means she's fine, Even means she has a Fucked up Kink, if you want the chance for it to be more rare, count only the 6's as degenerate kinks, and all other results will give you a regular Kink

Roll a D10 for the Fucked up Kink

1 Ryona 2 NTR 3 Bestiality 4 Cuckquean 5 Scat
